## Guided Video Tour Step by Step Instructions

### Step 7 Now What? Tools

1. Logging in – To login to mCLASS, go to: [www.mclasshome.com](http://www.mclasshome.com)

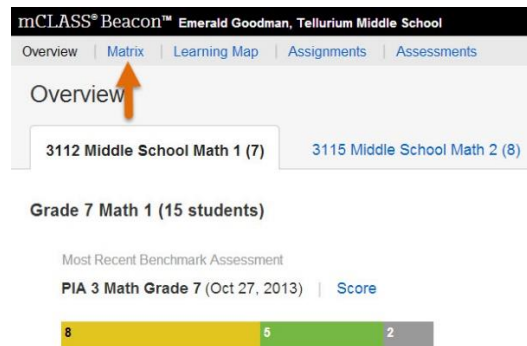

Use the username and password provided to you by your sales rep to login to the platform.

2. After you log in, select the mCLASS Beacon link:

3. You will now arrive at the Teacher Overview Page. Choose **Matrix** from the navigation bar.

- Now that you see results, you may want to create plans for additional instructional support for students. Select the **Now What?** Feature in the upper right hand corner of the page to create plans to address these needs.

Now all students from this class will be associated with this standard in your plan.

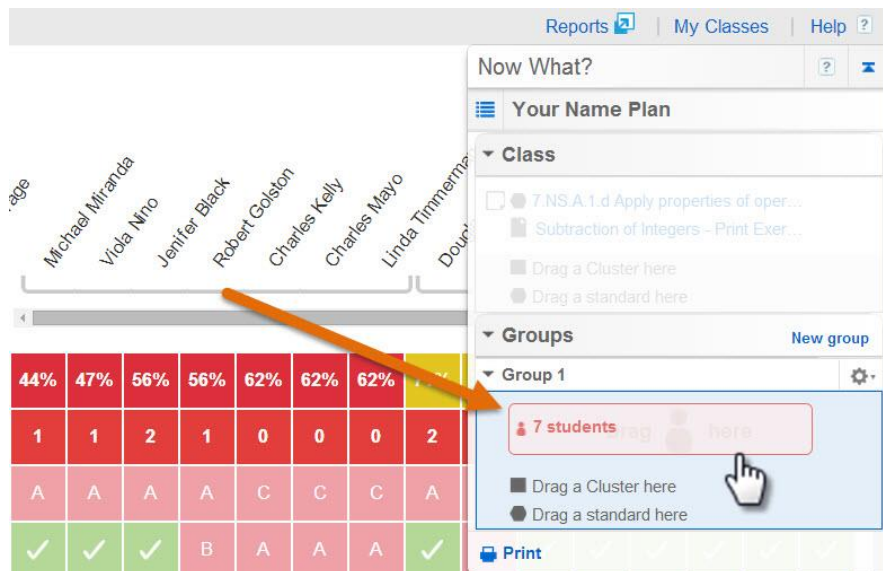

10. Select the **standard** within the **Class** plan to open an overlay.

11. Now you can view details about the standard performance. Choose the **Resources** tab and a list of online instructional content options display. Open the resource link to preview it. If you want to use this resource as a part of your plan, drag it into the **Class** area of the Now What? plan.

12. You can create sub-group plans and add individuals to those plans. Close all overlays and drag a **student name or names** into a **Group** plan. Add standards and resources just like you did with the Class plan.

13. You can print all plans as well. Simply choose **Print** to open and download your plans.
